## General Description

|                        |                                    |
|------------------------|------------------------------------|
| Series                 | 203                                |
| Configuration          | Convex                             |
| Description            | Clear Convex PMI Cap, Back Frosted |
| Sizes                  | 11/16                              |
| Color                  | Clear                              |
| Mounting Method        | Nut and Washer                     |
| Compliance             | MIL-L-3661B                        |
| Mounting Hole Size     | 11/16                              |
| Cap Finish Description | Diffusing                          |
| Metal Finish Desc      | Black Nickel                       |
| Hardware Desc          | Watertight                         |
| Lens Cap Shape         | Convex, polycarbonate              |
| Sub Sub Product Type   | Cap                                |
| MS Number              | LC17CD3                            |
| Lens Style             | Back Frosted                       |
