

# Reduce Downtime With Quick Access To The Right Replacement Fuse

## Select From Six New Cooper Bussmann Service Kits

- **Selection**

These new fuse service kits are filled with the most common fuse types and sizes for the most common applications: choose from Class J, RK1, RK5, CC, Midget and Glass. No need to search for the right fuse. It's in the kit.

- **Organization**

The compact and sturdy carrying case allows organizing and modifying the fuses needed to assure a proper supply is kept on hand.

- **Free Accessories**

All kits come with a fuse puller for the fuses it contains. As a bonus, all kits also include a free wire stripper or lineman's pliers that will come in handy when performing wiring tasks
